

Kenroy Tiger Tales

March 2009

Your source for events at Kenroy Elementary

Our annual **Cookie Dough** Fundraiser is underway! Last year we made \$8,968, let's try and beat that.

The last day to turn in orders is Friday March 13th.

Please make sure your students name is on the order form, and check your order totals; any amount over or under delays everyone's orders. **Orders will arrive Wednesday April 8th** (instead of 9th - and there is no where at the school to store the items, so please make arrangements to pick it up, or have someone pick it up for you) because...

THE PACIFIC SCIENCE CENTER VAN IS COMING APRIL 9TH. The theme this year is

MATH BLITZ

The goal of our "Math Blitz" program is to motivate students in grades 1-4 to master their basic facts. The spring dates run from March 9-25. Students can earn a "tiger tag" for each of the grade level math facts that they master. They also get their names written on a poster in the hallway next to the library.

1st grade: addition 2nd grade: addition and subtraction

3rd & 4th grade: addition, subtraction, multiplication, and division

Please encourage your child to study their math facts using flash cards or you can do this orally in the car. Five minutes of practicing each school day can make a big difference!

UPCOMING EVENTS

Thank you to all of the participants, students, parents, & teachers who made Family reading night such a success! The Wenatchee Wild players, Douglas County firefighters, and Eastmont High Cheerleaders came out for the event and fun was had by all! There were a lot of books exchanged and book-markers made.

A big Giant thank you to Jerrilea Crawford for organizing this fun family event!

Save the Date! Papa John's Pizza night is March 26th! Take the night off, and let the pizza guy do all of the work. A portion of all sales go to our school. The class with the highest number of sales will receive a class pizza party! More information will be sent home closer to the event date!

What has 772 feet, and can help save Madagascar? Kenroy Kids!
As a team you saved 8 Acres of rainforest!

Way to go Tigers! Remember to say thank you to family and friends that bought shirts from you or for you, with out them, you couldn't do it.

We would like to offer an educational program for the summer that has been endorsed by our faculty and administration. The **Summer Bridge Activities™** workbook series bridges the educational gap during the summer. Each workbook is divided into three sections by incentive contract calendars to help motivate your child to complete the daily exercises. The first part of the book provides a concentrated review of the grade your child is leaving, and the last part of the book is a preview of the next grade to prepare your child for the upcoming year. Each book contains a parent introduction that offers helpful hints on using the **Summer Bridge Activities™** program as well as information on the importance of summer learning.

The curriculum-based activities include the following: • Phonics (lower grades) • Reading Comprehension and Writing • Mathematics • Science, Social Studies, Maps and Globes (intermediate and upper grades) & Suggested Summertime Reading

The deadline to order the workbooks is **April 15th**. The cost of each workbook is \$15.00.

Please make checks payable to Kenroy PTO and return no later than **April 15th**. The workbooks will be distributed to students the last week of school. We appreciate your support and are confident that Kenroy's children will benefit from this wonderful educational opportunity. Complete the order form below (or on the next page) and return it with payment to your child's teacher on or before **April 15th**.
