4. Describe the action steps the school/district will take to reduce the opportunity gap in student possession of ASB cards and/or participation in extracurricular activities for the up coming school year.

1. Staff/Advisors will continue to advertise and encourage students to sign up for the many clubs on campus. This will include visits to the Jr. High Schools to introduce incoming 10th graders to club options, booths on Wildcat Day, and information bulletin boards for each club.
2. We will increase the number of Link Crew Activities and carry them out through the entire year. Upper classmen will mentor sophomores and help introduce them to the many extra curricular activities on campus.
3. Staff will make sure that students are aware of the family income survey/consent to share forms early in the year to help eliminate the financial barrier to participation for the entire school year. These forms will be available at Wildcat Day and in the main office
4. Athletic Director will continue to evaluate and improve Title IX, Gender, and Racial disparities where identified. Addition of Dance Team and Slowpitch softball.
