

Secondary Course Syllabus

Building: Eastmont High School

Course Title: Intermediate Art 2D: Drawing and Painting

Teacher: Mark Wavra

Email: wavram @eastmont206.org

Phone: (509) 888-1209

Course Description: Intermediate Art 2D is about drawing what you see with confidence. It picks up where Art class leaves off, and students expand skills with a variety of wet and dry media, including watercolor, acrylics, charcoal, pastels, and pen and ink. There are three main units that relate to major art making traditions: still life, portrait and landscape.

Pre-Requisites: Intro to Art at EHS or EJHS

Textbooks and Instructional Materials: There are a variety of instructional materials that support learning in this course. The primary textbook is a project folder and there is one on each table of the room. Technology is integrated in this course through a variety of supplemental digital media resources. Grading: Students achieve their grade in a Points based grading system. Grades are maintained within the Eastmont School District Student Information System. The secure student information system including the gradebook for this course, are accessible to students and parents 24/7/365 through the student and parent portal via our website at www.eastmont206.org.

Grades are based on the following percentages and points for GPA calculations:

4.0 = 93-100 A	3.3 = 87-89 B+	2.3 = 77-79 C+	1.3 = 67-69 D+
3.7 = 90-92 A-	3.0 = 83-86 B	2.0 = 73-76 C	1.0 = 60-66 D
	2.7 = 80-82 B-	1.7 = 70-72 C-	0 = 0-59 F

Accommodations and/or modifications: Appropriate accommodations and/or modifications will be provided for students with documented disabilities. Accommodations and modifications are types of adaptations that are made to the environment, curriculum, instruction, or assessment practices in order for students with disabilities to be successful learners and actively participate with other students in the general education classroom or in school-wide activities. Specific accommodations and modifications are determined by the student's Section 504 team or Individual Education Program team. If a student with a documented disability is eligible to receive accommodations and/or modifications their special education case manager will contact me within the first two weeks of class and provide me with explicit directions and/or resources to implementing the accommodations and/or modifications that are included on the student's Section 504 plan or Individual Education Program. Communication with me is essential to the successful completion of course expectations and the implementation of accommodations and/or modifications.

Attendance, Behavior, and Performance Expectations: Student success is dependent upon respecting and following the rules of conduct outlined in Board Policy #3241 and described in the student handbook. Both are available on the website at www.eastmont206.org.

Make-up Work: Eastmont School District Policy and Procedures #3122 for excused absences and make-up work apply to this course. Specifically, “If an absence is excused, the student will be permitted to make up all missed assignments outside of class under reasonable conditions and time limits...” All the activities and learning opportunities for this course are expected to be completed. Absences, whether excused or unexcused, cause gaps in learning. Make up work and late work will be accepted for full credit for two weeks past the due date. After two weeks, increasing deductions will be made. Since the semester officially ends at the final, missing work due to absences at or near the end of the semester may not be able to be made up.

Clubs, Activities, and Leadership opportunities: EHS Art Club, Regional Art Show, EHS Festival of the Arts, EHS Community Art Displays.

Printed Documents: Print or translated copies of digital documents are available. Please contact the main office for additional information.

Miscellaneous: Students interested in pursuing art are recommended to keep a sketchbook of ideas and observations. I recommend a spiral-bound sketchbook with pages that don't tear out. Get a book that will fit comfortably in your bag or backpack. Most important, don't rip pages out of your sketchbook, even if they aren't very good. Sketchbooks are available locally at Hobby Lobby and Fred Meyer.
