**Per WAC 180-51-030: High School credit for courses taken before attending high school**

- A student who has completed qualifying high school courses with a passing grade before attending high school shall **automatically** be given high school credit - unless requested otherwise by the student and the student's parent/guardian
- These credits shall be applied to fulfilling high school graduation requirements
- At the request of the student and the student's parent/guardian, high school credit earned may be transcribed with a non-numerical grade, such as "pass" or "credit". A non-numerical grade will not be included in the student's GPA calculation
- A student and the student's parent/guardian must inform the high school before the end of the 11th grade if they do not want credit for the course(s) or if they want to request that the credit be transcribed with a non-numerical grade
