

The Confluence Health Healthcare Scholarship is a \$3,000 award

Confluence Health has long supported youth in our communities. This scholarship is awarded annually to a graduating senior at high schools in the communities where we have clinics: Wenatchee, East Wenatchee, Moses Lake, Royal City, Omak, Brewster, Waterville, Okanogan, Cashmere, Tonasket, Oroville, Methow Valley, and Ephrata. Ten scholarships will be awarded.

The selection committee is looking for highly talented students who have demonstrated superior academic merit, exemplary character, integrity, purposefulness, and desire to work in the medical field. We believe that supporting these outstanding students is an investment in our communities and ourselves.

If you are planning to pursue a full-time healthcare related degree program for the academic year following high school graduation, we encourage you to apply for this scholarship. Preference will be given to students who will be enrolled in Wenatchee Valley or Big Bend Community College.

All application materials must be submitted May 10th, 2024.
