

**All students planning to enroll in Running Start must have a signed agreement on file before a counselor can sign the Running Start Enrollment Verification Form (RSEVF):**

I understand that as a Running Start (RS) student I will be subject to all rules, regulations, and procedures governing college students for course requirements, content, registration, grading and appropriate behavior.

I understand that I am responsible for managing my class schedule between the college and Eastmont HS, that when I register for my college courses they may not conflict with my schedule at Eastmont High School.

I understand that grades earned at the college begin my college grade point average and they become a permanent part of my HS transcript. This GPA will follow me throughout my high school and college career.

I understand that the community college is on a quarter system and the high school is on a trimester schedule. They end at different times, and as such, I will not receive my high school diploma until my high school counselor verifies that I have met all of the EHS diploma requirements.

I am aware that I am responsible for my own attendance, and that it is my responsibility to monitor all RS drop deadlines. Eastmont High School does not have access to my attendance/progress at WVC and as a result, my parents may not be notified.

As a RS student, I must maintain a minimum 2.0 GPA each quarter, otherwise I risk being placed on academic probation which may lead to withdrawal from the RS program and enrollment in an alternative program at EHS. If I fail any WVC courses it is my responsibility to notify my counselor.

The RS program funds the 100 level or higher credit classes (099 classes and below are not funded). All additional expenses including but not limited to books, parking, lab and registration fees, transportation, etc. are the responsibility of the student and parent.

I know that transportation to and from the college is my responsibility and will not be provided by the Eastmont School District.

I understand that EHS is not responsible for informing me about extracurricular and social activities at the high school. It is my responsibility to seek out information about events on the Eastmont High School website.

I understand that I need to give my EHS Counselor 48 hours to complete the RS Verification form. I understand that I must follow the RS Equivalency checklist for meeting EHS graduation requirements and that it is best practice to complete all of my required high school courses by winter quarter of my senior year in order to be eligible to participate in the graduation ceremony.

I am aware that Add/Drop courses must also be cleared by WVC AND EHS. Failure to do so may result in my having to pay for my courses as they may not be covered by Running Start funding.

I am aware that athletes participating in RS must meet the WIAA eligibility requirements to participate in an Eastmont sport.
