Message from the Administration Team

Welcome to Eastmont Junior High School. We hope you have having a restful and enjoyable summer with your children. We have been hard at work getting ready for the start of the 2019-2020 school year. Our main goal is to create a safe and fun environment where your children can meet standards and thrive. Having a school with both 8th and 9th grade students, we focus on graduation and how to build a solid beginning so each student has equal opportunity to walk across the stage, earning their diploma. Know that we welcome your support and suggestions as we partner in this endeavor.

A couple of reminders as you are school shopping: we do have a district dress policy that we strongly enforce. Please help your child choose appropriate business like clothes for school. The main points are:

- Shorts and skirts need to be mid-thigh

- Necklines need to be no lower than a straight line between the underarms

- Shirts need **to cover** midriff

- All tank tops straps need to be at least 3 finger widths wide

A perfect saying to help you remember whether an outfit is appropriate is, "raise your hands & touch your toes, if anything shows go change your clothes."

Attendance and arriving on time are two things that we will focus on - if your child is not at school, he/she cannot learn! Research shows that these two indicators are strongly correlated to success! Please help your child establish good routines at home.

We have a few new staff members that we would like to welcome to our team: Andrew Hall, Jackie Vandeman, Hunter McLeod, John Brossoit and Dalin McDonnell. They will help us make a great impact on student learning.

We are excited to partner with you, the staff and your children to make this year the best yet! Please know that our doors are always open.

See you soon,

Amy Dorey, Principal — Holly Cornehl, 9th Grade Principal — Jim Schmutzler 8th Grade Principal

You may NOT wear hats for school photos. Please refer to the Eastmont Dress Code, found on our website, for the appropriate clothing guidelines.

If you choose to purchase photos, you may pick from whichever package you wish from the enclosed insert. You will need a separate check payable to Parsons Photography.

Emergency Health Form/Acceptable Use Policy

Please make sure to complete and sign the Emergency Health Form and the Acceptable Use Policy (for computer use) that will be given to the students during the first couple weeks of school. The Emergency Health Form becomes necessary should your son or daughter require emergency health care while at school or at a school function. Please correct any inaccurate information on the form and send it back to school with your student as soon as possible.

The other form, the Acceptable Use Policy is also required of all students in order for them to use computers on the school network.

Representatives from Food Service will be available during Bobcat Activity Day on August 20th from 8:00 am - 3:00 pm to take payment for student lunch accounts. Student lunch accounts can be used at any food service station during lunch. Students are not allowed to charge lunches.

Please consider setting up lunch accounts before school starts. Setting up accounts before school starts helps the lines move more quickly during those first few days of school.

Free and/or Reduced Food Service Applications can be found online at the Eastmont Website.

ACTIVITIES - - GET INVOLVED

We encourage all of our students to become involved in some kind of school activity. We know that students who participate in activities at school and in the community, consistently achieve high grades and are better adjusted than those who do not involve themselves.

In addition to athletics, Eastmont Junior High offers F.C.C.L.A., Band, Choir, F.B.L.A., Math is Cool, MEChA, Peer Tutors, Skills USA, Student Council and F.F.A.

If finances are a problem, please contact Mrs. Friedrichsen, in the Activities Office. We believe in being involved and we do not want financial problems to preclude our students from participating in any activities at Eastmont Junior High School.

Tell me and I forget. Teach me and I remember. Involve me and I Learn.

SCHOOL ATTENDANCE MATTERS

Please Call 888-1333, to report your student's absence from school. State mandated laws require accurate attendance reporting. It is the Student's responsibility to make sure an excuse has been received by the school. The school will attempt to call you on the day your student is absent from school through an automated dialing system. We appreciate prompt responses to the phone dialer messages. This helps us to keep attendance updated and accurate. If you cannot reach us during normal office hours, please leave a voice mail message.

A phone call or signed note from a parent /guardian is necessary prior to your student leaving school for appointments., etc., during the school day. **Please try to give us at least one half hour notice prior to you picking up your student.**

Please check the EJHS Student Handbook for a detailed description of the District's Attendance Policy.

Contact our attendance office at anytime if you have questions regarding your student's attendance. Our attendance secretary is Teresa Reyes and she can be reached at (509) 888-1333.

EVERY SCHOOL DAY COUNTS!!!

PREPARING FOR THE NEW SCHOOL YEAR

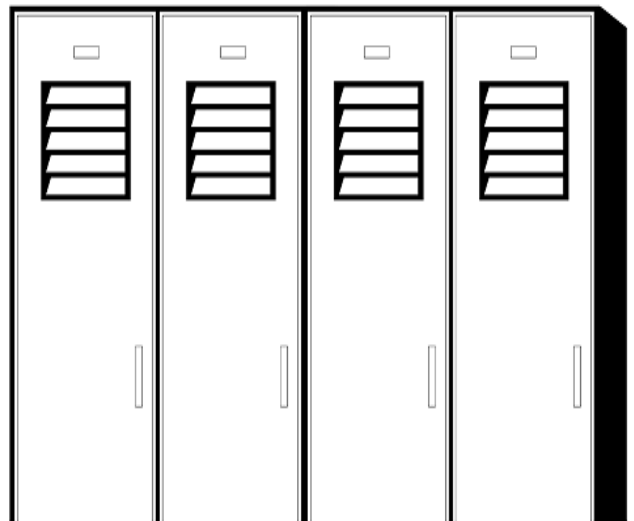

For in-coming 8th graders moving into a new school building, there are a few important changes or added expectations. With over 1000 lockers in the building, every student will be assigned a locker. All coats, book bags, backpacks and purses are to be kept in the student's locker during school hours. Backpacks, hats and purses are not to be worn or carried during the school day. We cannot be responsible for lost or stolen things.

Dress code will be enforced—please refer to the District Dress Code Policy on the Eastmont School District Webpage.

Attendance: Please call our attendance office when your student is not at school to excuse them. If you need to get your student out of school during the day, please call at **least one 1/2 hour** before you plan on picking them up.

With over 900 students, and many phone calls throughout the day, it sometimes takes a while to get a note to them to get them out of class. If you know they have an appointment that day, it is best to send a note with them to school, have them bring it into the main office when they arrive in the morning, and they will be allowed to leave class at the appropriate time.

Deliveries to School: No flowers, balloons or food deliveries of any kind will be accepted for students.

PREPARING FOR THE FALL SPORTS SEASON

NOTICE

PESTICIDE APPLICATION ANNUAL NOTIFICATION EASTMONT SCHOOL DISTRICT PEST CONTROL PRACTICES

The Eastmont School District Maintenance Dept. will, at times through the school year, have the need to make applications of pesticides to control weeds and insects on its property and/or buildings. This work will be done by state licensed school district employees, unless conditions necessitate the use of a licensed contractor. In either case, we will follow the Washington State guidelines for applications at public schools.

INSECTICIDES

The application of insecticides will be made using an Integrated Pest Management (IPM) approach, which means that we will only apply if there is an unhealthy outbreak of an insect population, or if there is an emergency application (such as a wasp nest on a playground).

HERBICIDES

Herbicide applications are pre-scheduled to make applications to weeds when they are the most susceptible to control methods.

NOTIFICATION

Eastmont School District uses a registry system to notify interested parents and employees at least 48 hours prior to pesticide applications. **If you wish to have your name on the registry to receive email or regular mail notification, please respond in writing to Eastmont Maintenance Department, 345-6th St. N.E.** Be sure to include your name and contact information. There will also be a posting on the bulletin board in each school's office and the district website www.eastmont206.org.

Record Keeping: All pesticide use records are kept by the Eastmont School District Maintenance Dept., including an annual summary of pesticides used.

Contact Person: Seann Tanner – Maintenance Department – 884-6970

AVISO

NOTIFICACIÓN ANUAL DE LA APLICACIÓN DE PESTICIDAS DISTRITO ESCOLAR DE EASTMONT CONTROL DE PLAGAS

Periódicamente durante el año escolar el Departamento de Mantenimiento del Distrito Escolar de Eastmont necesitará aplicar pesticidas para el control de hierbas malas e insectos en la propiedad y/o las instalaciones del distrito. Este trabajo estará efectuado por empleados del distrito autorizados por el estado a menos que las condiciones requieran que se lo haga un contratista con licencia. De todos modos, seguiremos las pautas del Estado de Washington concernientes a las aplicaciones de pesticidas en las escuelas públicas.

INSECTICIDAS

La aplicación de insecticidas estará hecha empleando el programa Manejo Integrado de Plagas (*IPM*, por sus siglas en inglés), así es que aplicaremos pesticidas solamente si hay una infestación insalubre de una población de insectos o si hay necesidad de que se realice una aplicación de emergencia (por ejemplo, por un nido de avispas en un patio de recreo).

HERBICIDAS

Aplicaciones de herbicidas serán programadas con anticipación para que las hierbas malas sean tratadas en el momento óptimo para controlarlas.

NOTIFICACIÓN

El Distrito Escolar de Eastmont usa un sistema de registro para notificar a personas y empleados interesados en recibir un aviso de la aplicación de pesticidas por lo menos 48 horas antes de la aplicación. **Si usted desea tener su nombre en el registro para recibir un mensaje por correo electrónico o correo estadounidense, por favor responda por escrito al Departamento de Mantenimiento de Eastmont, 345-6th St. N.E.** Asegúrese de incluir su nombre e información de contacto. Habrá también un aviso expuesto en el tablón de anuncios en la oficina de cada escuela y en la página del internet del distrito www.eastmont.org.

Mantenimiento de Registros: Toda la información acerca del uso de pesticidas, incluyendo un resumen anual de las pesticidas usadas, es archivada por el Departamento de Mantenimiento del Distrito Escolar de Eastmont.
